

Beaujolais-Villages Sélection Georges Duboeuf

History and terroir :

Beaujolais-Villages takes its name from the 38 wine-making villages in the Beaujolais production area. This delicious red wine marks a sort of transition between "plain" Beaujolais with a spontaneous character and the ten prestigious "crus" further north. More than any other, it is a wine that is enjoyed in happy homes.

Tasting :

An intense, brilliant cherry colour with purplish tints. Complex nose with red and black berry aromas. A smooth wine with fine tannins, harmonious and complete. Ideal for all occasions, from aperitif to cheese. Ready to drink but may be kept for 1 to 2 years. We recommend to taste this wine at 14-16 °C.
