

Beaujolais-Villages Château des Vierres

History and terroir :

Solid and elegant, Château des Vierres sits mid-slope, overlooking the Ardières Valley, on one of the best Lantignié hillsides.

The vines are grown with great care by winegrower Jean-Marc BRANCHE and his wife. Vinification is now entrusted to the Quincié cooperative. Cellar-master Jean Luc CHAGNY uses all his thoroughness and expertise in making the Château des Vierres wines: full, racy and very elegant.

Tasting :

This wine has a lovely deep ruby colour. Silky, full-bodied and smooth, with pleasant flavours. Fruity, with great distinction and a very harmonious finish. We recommend to taste this wine at 14-15 °C.
