

## Georges Duboeuf Fleurie Prestige

### ***History and terroir :***

Fleurie is a terroir that sits on hillsides of beautiful pink granite covered in climbing vines, working their roots into the rocks to draw their substance and infuse Fleurie wine with the scent and spirit of this elegant appellation. If Moulin-à-Vent is the King of the Beaujolais region, Fleurie is its Queen.

### ***Tasting :***

This is a promising wine, deliciously voluptuous, rich, robust, full-bodied and silky with an extraordinary natural, subtle and fragrant refinement, an intense red-carmine colour and fruity aromas of wild strawberries and raspberries. We recommend to taste this wine at 13-14°C.
