

Mâcon-Villages Sélection Georges Duboeuf

History and terroir :

Between Mâcon to the south, Tournus to the north and Cluny in the west, the noble and very Burgundian Chardonnay reigns as absolute master on these limestone soils that suit it so well. The Mâcon-Villages whites are light, cheerful, charming wines, especially when very young. Whatever the vintage, they are full of fruity and floral subtleties, enhanced by lemony nuances. They are delightfully delicate and simple.

Tasting :

A bright golden colour, this Mâcon-Villages reveals elegant, fresh aromas dominated by white blossom with a scent of honey and lime blossom on the finish. We recommend to taste this wine at 12 °C.
