

LEONARDO PROSECCO

Denominazione di Origine Controllata

Area of production: Northern Area of Piave River in the province of Treviso

Grapes: Prosecco 100%

Vinification and maturation: Grapes are handpicked at a medium ripeness, selected in the cellar and then vinified using Martinotti method.

Tasting notes: Light yellow with greenish tints. Light floral perfumes followed by fruity notes. Fresh and lively on the palate with a soft finish.
